Galambila Aboriginal Disability Liaison Program

**Information for
families needing
support to access
the Early
Childhood Approach
0-9 years**

Galambila Aboriginal Disability Liaison Program

- can support you to connect to the Early Childhood Approach
- will help guide you through the NDIS process
- make the NDIS pathway fair, equal and culturally safe for First Nations people

Early Childhood Approach is available for Children

- aged 0-9 years
- who have a disability
- who have a developmental delay
- who have developmental concerns

Galambila will connect you to local NDIS services who will

- find information about your child's development
- connect you with support groups who are on a similar journey
- connect you to local supports and services which relate to your child's needs
